PROFESSIONAL EXPERIENCE

Eviden (formerly Maven Wave, an Atos company) - Chicago, IL *June 2022 - Present*

Cloud Operations Engineer (December 2024 - Present)

- Lead cross-functional coordination for three Azure MSP clients (\$3.6M combined annual spend); facilitate alignment between technical teams and client CTOs on infrastructure strategy and CI/CD roadmaps
- Spearheaded enterprise FinOps initiative: defined requirements, coordinated implementation across teams, and delivered automation framework that identified 68% of compute resources as over-provisioned

Ignite Cloud Analyst (September 2022 - December 2024)

- Led Google Cloud MSP certification audit end-to-end; coordinated evidence collection across multiple teams while reducing audit preparation costs by 35% through strategic tooling and automation
- Performed daily Scrum Master duties for 12-person delivery team: facilitated standups, managed sprint planning, escalated blockers, and drove on-time delivery
- Served as Primary Technical Lead for healthcare MSP client: conducted weekly stakeholder check-ins, prioritized Jira backlog, ensured team of 10+ met SLA commitments, and documented incident post-mortems
- Led 30-person multi-vertical team developing cross-hyperscaler cloud training platform; coordinated workstreams across engineering, content, and UX teams

Ignite Rotation Analyst (June 2022 - September 2022)

- Completed rotations across Application Development, Infrastructure, DevOps, Marketing, and UX to develop cross-functional perspective
- Managed end-to-end delivery of multilingual AI chatbot project: gathered requirements, coordinated development, and presented solution to executive team
